5. Boy candidates will not be admitted to the Mysore Middle School Examination by ***Private Study*** unless they send with their application form sufficient proof to show that they had sat for the English Lower Secondary or Middle School Examination (with English as First Language) in 1933 or before and had failed at the Examination or unless they are specially permitted by the President, Local Examinations Boards, and in such cases the original permisson granted should be attached to their applications for admission to the Examination. Teachers in recognised schools and girl candidates may, however, appear for the Examination by private study, without satisfying any of the conditions referred to above.

6. The printed column in the application form for non-attendance certificate in the case of private candidates (both Boys and Girls) for the Middle School and Lower Secondary Examinations of 1934 should be filled up before the application is sent to the Secretary, Local Examinations Boards. If in any particular School no candidate requires exemption from shortage of attendance, a *Nil* statement should be sent. 9. The Heads of High Schools sending up candidates for the S.S.L.C. Public Examination will kindly note the following points in connection with the preparation and submission of application for candidature :—

(*a*) Candidates should be asked to give their *correct* date of birth *viz.*, the day, month and year, both in the application as entered in the admission register of the School without giving room for unnecessary correspondence in the matter. They should be advised to enter *only* the father's name in the S. S. L. C. card and the application form and not the guardian's name.

(*b*) The heads of Institutions should satisfy that the date of birth entered in the S. S. L. C. card corresponds with that in the admission register of the School.

(*c*) The Heads of High Schools should arrange the applications and the S. S. L. C. cards separately in the same order, first, according to the Second Language chosen by them and secondly, in the alphabetical order under the several second languages. In no case should the applications and the S. S. L. C. cards be mixed up, as this will lead to confusion while checking the applications. The applications and S. S. L. C.'s of candidates who have been declared "Passed" in previous years should be separated from others and arranged in the same manner as noted above.

(*d*) A classified statement showing the names of candidates under "Ordinary" and "Supplementary" Certificates, the several second languages and additional subjects offered by them should accompany the applications for candidature.

10.
